Dear Prospective Business Partner,

We have a great opportunity for you; for only \$20.00 you can be a Shiloh Elementary Business Partner for the 2009-10 school year!

If you were a Business Partner during the past school year, we would like to thank you for helping us to meet the needs of each and every one of our students. We hope with your continued support the same will continue to happen this year.

Our theme this year is "Reach for the Stars". Our hope is that you will "reach for the stars" in your business to join our efforts to strengthen the emphasis on teaching and learning for all the students at Shiloh Elementary School by becoming our business partner. Your past donations of certificates and other incentives have provided excellent rewards to many of our students for their hard work and attendance each 9 week period while providing increased patronage to your business from the community.

How does being a business partner benefit you?

- Your business name is on our web page which is accessed on a daily basis by our parents, students, staff and others.
- Your business is featured in our quarterly newsletter to every parent.
- You are automatically a member of our P.T.A. who will also promote patronage to your business.

Please find the time to return a check made out to Shiloh Elementary School for \$20.00 along with one of your business cards to become our special partner.

Thank you in advance for your support of Shiloh Elementary School. Please visit us online at www.shilohes.org.

Respectfully,

Betty Ann Schoeneck
Principal
